

Our Mission...

As the leading association for auxiliary, reserve, and special police officers is to help provide these officers with the resources they need to their jobs safely and effectively and to advance the cause of reserve policing in our communities.

Throughout the world, hundreds of thousands of ordinary citizens volunteer their time to do an extraordinary job as law enforcement and public safety officers. Their contributions often go unnoticed by the public and under appreciated by leaders in government.

INSURANCE COVERAGE

Members of RPOA receive superior Disability and Accidental Death insurance by AIG- one of the leading insurance carriers in the world. Members are covered while performing any and all law enforcement and criminal justice duties and emergency response service *on duty or off*.

Coverage includes:

\$25,000 Accidental Death or Dismemberment coverage.

\$200 weekly for 260 weeks (up to \$52,000) disability. (This is in addition to any other disability or worker's compensation).

NOTE: Most departments and municipalities do not cover or insure reserve or auxiliary officers as unpaid, part time employees. This makes having some coverage essential to protecting your family.
