State what equipment you agency needs:

State the approximate cost of the equipment:

- The RPOA reviews and awards all grant requests on a case by case basis. Due to limited funds, not all grants can be approved.
- Only one request per agency per year.
- One or all of the following must be included with your request: purchase order, product brochure, vendor information or other information you think may be helpful in ensuring you request is approved.
- A letter requesting the equipment signed by a ranking agency officer on agency letterhead.
- Mail requests to:
